Questions Contact 406-281-0731(M) 406-237-7965(O) penny.clifton@svh-mt.org

*\*This is a required field.*

ATCN is designed for:

Registered Nurses experienced in  
TNCC and the emergency or intensive  
care of trauma patients

Trauma Nurse Educators

Trauma Nurse Coordinators

Critical Care Transport Nurses

*Registration deadline is 2/1/2012  
so that texts can be mailed out to  
students a month or more before  
the course. This deadline is firm  
as prep time is essential to  
success.*

*ATCN is run at cost. There is no  
cancellation or refund policy.*

## Advanced Trauma Care for Nurses

**March 30-31, 2012  
Billings, Montana**

**Hosted by the Mary  
Alice Fortin Health  
Education Center on the  
campus of Billing Clinic**

## Course Description

The Advanced Trauma Care for Nurses (ATCN) Course is taught concurrently with the Advanced Trauma Life Support (ATLS) for physicians. This program is presented by the Society of Trauma Nurses in cooperation with The American College of Surgeons Committee on Trauma. This course was developed to teach established standards of trauma care and practical lifesaving skills. This course is designed for the nurse working in Emergency Departments, Intensive Care Units, the Pre-hospital setting or any department related to trauma care.

This course includes didactic presentations on initial assessment, airway management, abdominal trauma, thoracic trauma, shock, head and spinal cord trauma, burns, extremity trauma, pediatric trauma, trauma in pregnancy, and stabilization and transportation. Coupled with the lectures are corresponding practical skill stations and moulage assessment stations which demonstrate application of didactic information.
